- ii. The transaction was fair and reasonable as to the Foundation at the time the Foundation entered into the transaction;
- iii. Prior to consummating the transaction or any part thereof, the Foundation Board authorized or approved the transaction in good faith by vote of a majority of the members of the Foundation then in office excluding the vote of the interested member(s) of the Foundation and with knowledge of the material facts concerning the transaction and the interested members of the Foundation’s interest in it. Except as provided in paragraph (v) of this subsection, action by a committee of the Foundation Board will not satisfy this requirement; and

- iv. Prior to authorizing or approving the transaction, the Foundation Board considered and in good faith determined after reasonable investigation under the circumstances that the Foundation could not have obtained a more advantageous arrangement with reasonable effort under the circumstances, or the Foundation in fact could not have obtained a more advantageous arrangement with reasonable effort under the circumstances; or
- v. SECTION 2. *Interested Member of the Foundation's Vote.* In determining whether the Foundation Board had validly met to authorize or approve a self-dealing transaction, interested members of the Foundation may be counted in determining the presence of a quorum, but an interested member of the Foundation's vote cannot count toward the required majority for such authorization, approval, or ratification.

SECTION 3. *Committee Approval.* A Foundation Board committee may approve a self-dealing transaction in a manner consistent with the standards prescribed for approval by the Foundation Board if it was not reasonably practical to obtain approval of the Foundation Board prior to entering into the transaction and the Foundation Board determines in good faith that the committee met the same requirements the Foundation Board would have had to meet in approving the transaction, and the Foundation Board ratifies the transaction at its next meeting by vote of a majority of the members of the Foundation then in office without counting the vote of the interested member of the Foundation or members of the Foundation.

SECTION 4. *Prior Approval by the Attorney General.* The Foundation may seek the approval of the Attorney General before consummation of a self-dealing transaction by application setting forth all relevant and material facts.

SECTION 5. *Persons Liable and Extent of Liability.* If a self-dealing transaction has not been approved as provided above, the interested member of the Foundation may be required to do such things and pay such damages as in the discretion of a court will provide an equitable and fair remedy to the Foundation, taking into account any benefit received by it and whether the interested member of the Foundation acted in good faith and with the intent to further the Foundation's best interests.

SECTION 6. *Statute of Limitations.* An action to remedy an improper self-dealing transaction, brought by a proper party as defined by Section 5233(c) of the California Nonprofit Corporation Law to remedy an improper self-dealing transaction, must be commenced either:
